**This year we are planning on having images and videos of the 6400 match and its participants posted on the internet. By entering the match you are giving your permission to have pictures and/or videos of yourself taken at the 6400 and posted on the internet. This may include photos and video during firing and down range video taken of targets being fired. I assure that this process will not affect the competition.**

More information will be coming concerning motel/hotel rates.
