### **Additional Events:**

In addition to the 3-position and prone matches, the American Smallbore Shooting Association (ASSA) is also working with Blue Trail Range to organize the following additional events and supplier functions, which are all PENDING at this time. Additional events, upon confirmation, will be announced on the ASSA web site at [www.americansmallbore.com](http://www.americansmallbore.com).

- ASSA Competitor's Meeting(s) – date(s) to be announced via Match Bulletin(s)
- Equipment Suppliers On-Site (actual dates may be limited)
- Competitor Swap Meet (see note #1)
- Precision Air Rifle Reentry Matches on the indoor range with electronic targets
- On-Site Ammunition Testing (see note #2)
- Competitor Seminar(s)

*Note #1: No firearms sales are permitted.*

*Note #2: The current laws in Connecticut regarding ammunition call for strict regulation for both purchasing and selling. As a result, any on-site ammunition testing can be conducted, however, actual sales of ammunition must be conducted outside of the State of Connecticut in accordance with any other laws.*

### **Ammunition:**

*The laws associated with the purchase and sale of ammunition in Connecticut require that all competitors bring a sufficient quantity of ammunition with them to the matches. The quantity should include enough for all training days along with all individual and team matches. Ammunition will not be able to be purchased by non-residents. This is only a summary and it is up to each individual to be fully aware of the laws – local, state and federal – that may apply to their situation.*

**Match Entry:**

Entries will be accepted up to the following dates.

3-Position	July 15, 2017
Prone	July 23, 2017

After the above dates, entries will be available at the range (up to range capacity) subject to an additional \$20 service charge.

*\*In the event that range capacity is reached for any phase, the ASSA may elect to modify the match program and/or firing times to accommodate the maximum number of competitors for the national matches.*

Entry forms and fees\* can also be mailed via US postal service to:

**ASSA**  
**PO Box 855**  
**Latrobe, PA 15650**  
*\*Do not send cash via the US Postal Service!*

Entries for 3-position and prone teams will be conducted on site, with fees collected at that time.

Confirmation of registration will be sent via email.

**Range Capacity:**

80 competitors for 3-position  
200 competitors for prone

**Range Shelter:**

The firing line consists of covered firing points. Competitors are encouraged to bring additional portable shelters to be set up behind the ready line in the event of inclement weather.

**Squadding:**

Squadding will be conducted as entries are received.

For the national championship prone phase, competitors will be moving to a different firing point each day. This is to mitigate any potential advantage due to squadded position on the range.

**Cancellations / Refunds:**

All requests for cancellation must be submitted in writing to ASSA at least thirty (30) days prior to the start of the first day of the competitor's scheduled competition. A \$25 cancellation fee will be applied to the refund.

Refunds will not be provided for cancellations received less than thirty (30) days prior to the start of the competition. Partial refunds will not be issued for any matches or phased not completed. Entry fees will be adjusted for partial cancellations requested for discounted packaged entries.

No refunds will be made to competitors due to disqualifications or expulsion due to safety violations during the match(s).
