

AMERICAN SMALLBORE SHOOTING ASSOCIATION NATIONAL CHAMPIONSHIPS

JULY 6-13, 2018

HOSTED BY:

CARDINAL SHOOTING CENTER
Marengo, OH

Championship Match Personnel:

Match Director **Randy Schwartz**

Deputy Match Directors **Ken Benyo**
Erin Gestl
Mike Carter

Range Director **Tom Twigg**

Statistical Officer ***Pending**

Chief Referee ***Pending**

Range Location:

Cardinal Shooting Center
616 St. Route 61
Marengo, OH 43334
www.thecardinalcenter.com

Additional Events:

In addition to the 3-position, F-Class and conventional prone matches, the American Smallbore Shooting Association (ASSA) is also working with The Cardinal Center to organize additional events and functions, which are all PENDING at this time.

Additional events, upon confirmation, will be announced on the ASSA web site at www.americansmallbore.com.

- ASSA Competitor's Meeting(s) – date(s) to be announced via Match Bulletin(s)
- Equipment Suppliers On-Site (actual dates may be limited)
- Competitor Swap Meets
- Competitor Seminar(s)

Match Entry:

Entries will be accepted up to the following dates.

3-Position: July 3, 2017
Prone / F-Class: June 29, 2017

After the above dates, entries will be available at the range (up to range capacity) subject to an additional \$25 service charge.

**In the event that range capacity is reached for any phase, the ASSA may elect to modify the match program and/or firing times to accommodate the maximum number of competitors for the championships.*

NEW FOR 2018! Competitors are able to submit their entry and payment online at:

www.americansmallbore.com

Alternatively, entries can be sent via standard US Mail to:

ASSA
PO Box 855
Latrobe, PA 15650

****Do not send cash via the US Postal Service!***

Confirmation of registration will be sent via email.

Release & Liability Waivers:

All competitors are required to sign all release and liability waivers as a condition of entry. The photo release and liability waivers will be provided during check in at the range. Competitors that refuse to agree to sign the release and liability waivers upon check in at the Stat Office will be denied entry and will NOT receive a refund of match registration fees.

Range Capacity:

- 400 competitors for 3-position
- 400 competitors for prone (conventional & F-Class smallbore)

Range Shelter:

The firing line consists of covered firing points. Competitors are encouraged to bring additional portable shelters to be set up behind the ready line in the event of inclement weather.

Squadding:

Squadding will be conducted as entries are received. If you are bringing a junior team and would like to request squadding in close proximity, please mail all entries in together or have all entries submitted online and send one (1) email with a list of names for consideration. Additional names cannot be added after the initial squadding request. Requested squadding cannot be guaranteed. Requested squadding will not be conducted on adjacent points.

Conventional prone and F-Class smallbore competitors shall be squadded as separate groups to facilitate match operations (due to different targets) and to ensure there is no competitive advantage due to firing point location.

For the national championship prone phase, competitors will be moving to a different firing point each day. This is to mitigate any potential advantage due to squadded position on the range.

Cancellations / Refunds:

All requests for cancellation must be submitted in writing to ASSA at least thirty (30) days prior to the start of the first day of the competitor's scheduled competition. A \$25 cancellation fee will be applied to the refund.

Refunds will not be provided for cancellations received less than thirty (30) days prior to the start of the competition. Partial refunds will not be issued for any matches or phases not completed. Entry fees will be adjusted for partial cancellations requested for discounted packaged entries.

No refunds will be made to competitors due to disqualifications or expulsion due to safety violations during the match(s).

Entry Fees:

Individual entry fees are to be submitted at time of registration. Team entries for 3-position, F-Class and conventional prone will be conducted on site, with fees (cash or check) collected at that time.

(614) 436-3955

Be sure to ask for The Cardinal Center rate to receive a discount on lodging. Pre-negotiated rates have not been made, however many give special rates for competitors at The Cardinal Center.

Remember to book you hotel early as the surrounding area hosts many events and the closest hotels may have limited availability.

Camping and RV hook ups are also available at The Cardinal Center. Unfortunately, cabins will not be available this year for the matches. For additional information, visit their web site at: www.thecardinalcenter.com/camping

Rules:

The championship matches will be governed by the ASSA Smallbore Rifle Rules, which can found at www.americansmallbore.com . Competitors are to familiarize themselves with the championship match program and the current rules.

Failure of a competitor to follow the rules and match directives may be subject to disqualifications and/or expulsion from the range. Safety violations can be cause for disqualification and/or expulsion from the range.

Official Range Time:

The official range time will be kept by the Match Director.

Commence fire will occur at 8:30 AM each day.

Official Bulletin:

There will be an official bulletin board located at the range. Shooters should be familiar with the location of the official bulletin board to check frequently for any posted Match Bulletins or Directives.

Challenges:

Challenges must be submitted to the Statistical Office within the posted challenge period of the specific match score in question. Challenge fees will be \$3 for a competitor's individual score and \$5 for the challenge of another competitor's score. Challenge fees will be returned to the competitor if there is any numerical score change that requires a reposting of score(s). Team score challenge fees shall be \$5 for a competitor's own team and \$10 for the challenge to another team's score.

Protests:

Any protest to be lodged during the ASSA Championships must be completed and formally presented in writing to the Match Director on the same day of the occurrence of the grievance. The final decision issued by the ASSA on any protests is final.

Challenge Period:

The official challenge period for each match shall be posted by the Statistical Office. The challenge period shall be a minimum of two (2) hours after scores are posted for any match. Once the challenge period has ended, scores are final.

Official Match Jury:

The three (3) official match jury members will be selected from the pool of competitors who will be present for the 3-position phase of the matches. Three (3) new official jury members will be selected during the prone/F-Class phase of the matches.

Jury members selected are expected to be familiar with the ASSA rules and the general conduct and operation of smallbore rifle matches. Jury members may be replaced at the discretion of the Match Director or Deputy Match Director(s).

Awards:

Awards will consist of trophy plaques, medals, cash* and donated merchandise. Top three (3) overall are eligible for one (1) additional category award, which will be awarded by highest value.

Awards (including major aggregate awards) will be given if there are 5 or more competitors in a class, if not the classes may be combined. For the 6400 ANY-ANY category, a minimum of two (2) shooters are required for an award. ASSA reserves the right to modify any portion of the awards program based on the number of competitors in their respective categories.

F-Class shooters will use metric targets as outlined in ASSA rules. The F-Class Championship will have its own award pool and a trophy will be awarded to the overall 2018 ASSA Smallbore F-Class Champion. Separate Open and T/R overall champion awards will be recognized if there are at least five (5) competitors in each division. Additional championship awards F-Class shooters are not part of the conventional prone championships.

** Note: In 2017, ASSA awarded in excess of \$4,000 in cash prizes during the championship matches. This was approximately 50% of entry fees after match expenses.*

Target Changes:

Competitors will handle and hang their own unfired targets and pull down their own fired targets. Disabled shooters will be assisted by Range Personnel. Competitors are to furnish their own clips to hang targets and backers.

Bisley Bob Sticker Match:

The Bisley Bob Sticker Match is fired during the conventional prone phase and consists of two (2) Dewar matches - one with metallic sights and one with any sights. Each shooter who participates is provided with four (4) stickers which are affixed to their target of choice during the appropriate phase and distance. Awards are provided for the winners of the metallic and any sight portions.
